# Replacement cards / Square rotation

## Use replacement cards

- Fair and quick renewal of the squares.
- The squares get mixed and everybody gets to dance with each other.
- Time sitting out is automatically spread out in turn.
- Print out the sheets on two pieces of paper of different color – i.e. yellow and green.
- Cut out the cards. Perhaps have them laminated.

## This is how they work

- Hand out e.g. yellow cards to Boys and green cards to Girls – or vice versa.
- If there are 10 Boys – the yellow cards numbered 1-10 are distributed to Boys who will take position in the square stated in column number 10 on their respective cards.
- If there are 12 Girls – the green cards numbered 1-12 are distributed to Girls who will take position in the square stated in column number 12 on their respective cards.
- First Tip is the dance in row A, second Tip row B, third row C etc. These cards last for 10 Tips (A-J). If need be you simply start over again.
- Decide where on the floor each Set is to Square Up.
- Fix a timeframe for the replacements to occur - e.g. after each Tip or perhaps every 7<sup>th</sup> minute.

**Have fun!**
