Resolution Discussion

One Resolution has been received to be considered by the Members at the Annual General Meeting. Due to the positive feedback following the virtual discussion during previous years, the Executive Committee continues to offer an electronic feedback opportunity prior to the Convention in addition to the in-person discussion held during the Wednesday Annual General Meeting.

Feedback Submission: The electronic feedback submission form will be open March 17 to March 28, 2025 for feedback to be submitted. Active Voting Members will receive a copy of the Resolution via e-mail. At the beginning of the first week, Active Voting Members will receive an e-mail with instructions and a link to provide feedback. Responses will be limited to 1500 characters per post. Responses will be compiled by the Home Office into "Pro vs. Con" summaries for each Resolution and made available online in the Members Only section of the CALLERLAB website and at the Annual Membership Meeting. The Home Office will provide guidelines for submitting feedback and reserves the right to exclude responses that do not meet the guidelines.

Voting Members: Watch your email on Monday for the instructions for providing electronic feedback!

All Members: Watch your email later this week for a Video From the Chair on the Resolution to be Presented at the 2025 Annual General Meeting.

Ways & Means Updates

The Ways & Means Committee is leading an ambitious campaign called “50k for the 50th.” The goal? To raise \$50,000 before the closing session of the 50th CALLERLAB Convention in Greenville, SC. But wait, there’s more—10 generous individuals/couples have pledged \$5,000 each to match those donations, meaning we could raise a total of \$100,000 for the Foundation!

You can contribute directly on the Foundation’s NEW website at www.callerlabfoundation.com. Just click on the “Donations” tab.

The **Spring CALLERADS deadline** is coming up April 1, 2025. The Fall CALLERADS issue was delivered to more than 1,000 recipients. Don't miss out on this great opportunity to advertise to callers! Visit callerlab.org/callerads for more information about submitting an ad.

Thank you for being a part of CALLERLAB.

Have a great week!
