Dear CALLERLAB Members & Subscribers,

This is a CALLERLAB Electronic News Bulletin as of March 11, 2026.

Membership Renewals

Thanks to all of the Members who have already renewed their membership. Paper renewal notices went in the mail this week. We also continue to offer online renewals at www.callerlab.org/membership-forms/. Do not hesitate to contact the Home Office if you have any questions. We appreciate your continued support of CALLERLAB and look forward to a great year serving the square dance community together!

Membership Renewal Forms

If you prefer to renew by phone, you can reach us at 785-783-3665 and our staff will happily help you renew. If Paula and Nikki happen to already be on the phone or you reach out outside of office hours, feel free to leave a message and we'll call you back.

Thanks again to all of the Members who have already renewed their CALLERLAB membership!

New Insurance Contact

For U.S. members who carry the CALLERLAB liability insurance, we have a new point of contact: Katherine Vidales at kvidales@acrisure.com.

To obtain a Certificate of Insurance when needed, please email Katherine with your name and the name and address of the facility where you call or conduct your dance. She will email the certificate directly to you.

Recurring certificates for the 2026–2027 Membership Year will be sent out by April 1. If you need an updated certificate, please submit your request after April 1.

Reminder About Email Security

We continue to receive reports that some members are getting spam emails from individuals impersonating the CALLERLAB Home Office. Please remain vigilant when reviewing email messages.

Always check the sender's email domain to confirm the message came from an @callerlab.org address before responding, clicking links, or downloading attachments.

Keep in mind that if you have authorized your email address to appear on the Find-A-Caller page or on other public websites, it is visible online.

Unfortunately, spammers sometimes use these publicly available addresses to send fraudulent messages.

If you receive a message that seems suspicious or unexpected, please verify it before taking action. When in doubt, contact the CALLERLAB Home Office for confirmation.

51st CALLERLAB Convention – Reno, NV

Excitement continues to build for the 51st CALLERLAB Convention in Reno, Nevada, March 29–April 1, 2026! We still have space for you to join us, so if you've been on the fence, now is the time.

We're looking forward to learning, sharing ideas, and connecting with callers from around the world. Reno is shaping up to be a fantastic gathering, and we hope to see you there!
