Dear Friends of CALLERLAB,

CALLERLAB is pleased to announce that the Plus Committee has approved two key updates that will guide future instruction for the Plus Program.

1. New Recommended Plus Teaching Order Adopted

Committee members voted to adopt an updated teaching order for the (new) Plus Program. This revised sequence is intended to support clearer, more consistent instruction for dancers and callers.

2. Minimum Instructional Time Established

The committee also approved a new recommendation that the Plus Program calls be taught in no less than 40 hours of instruction (20 two-hour classes or 27 ninety-minute classes).

Next Steps

The new Plus List will take effect September 1, 2026.

The committee will now begin work on a new Plus Instructional Guide/Playbook to support callers in applying these updates.

Additional information and progress updates will be posted at [CALLERLAB.org/tipp](https://www.callerlab.org/tipp).

Press Release - (New) Plus Program Teaching Order

CALLERLAB thanks the Plus Committee for its continued work to strengthen caller education and support the success of dancers worldwide.

We encourage you to share this news with your dance community. More information, including draft documents, a roadmap, and FAQs, is available at callerlab.org/tipp.

We thank you for your partnership in supporting callers, clubs, and dancers worldwide through this important transition.

Office Hours During Convention Week

As our team prepares for and participates in the Convention, office hours will be limited next week. A staff member will be in the office answering phones, but response times may be a little slower than usual.

If you call and reach voicemail, please leave a message and we will return your call as soon as possible. We appreciate your patience while our staff is supporting Convention activities.

A reminder that membership renewals can always be completed online. Be sure to renew before the deadline to avoid any gap in your coverage.
