Klik på Abbrev

The screenshot shows the Tamination Sequencer interface. The main area displays a sequence of calls: a yellow circle, a green square, a red square, and a red circle. Below the sequence is a control panel with buttons for Copy, Paste, Help, Settings, Abbrev, and Calls. The 'Abbrev' button is highlighted with a yellow box. To the right of the interface, there is a text area with the following content:

Copy and Paste
You can transfer taminations between sequences.

Abbreviations
There is a built-in abbreviations list. Return saves your abbreviations to a file. Abbreviations
